

Media Center Notice to Eagle Parents:

As a parent, you have the right to opt your child out of any reading material in the school library. To select titles that your child should not check out from the library, please complete the Opt-Out Form on the link or QR Code below. You must include specific titles for the restrictions to be implemented. Parents are asked to discuss any restrictions with their children prior to visiting the school library.

Thank you for supporting your child's education.
